Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at [http://about.jstor.org/participate-jstor/individuals/early-journal-content](http://about.jstor.org/participate-jstor/individuals/early-journal-content).

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

DUNBAR SALES IN CHICAGO.

The sales from the recent Thawpep collection, which included works by many of the leading American artists, were phenomenal. The sale on April 29 was another example of the demand for American art. The collection was sold at a high price, with most works of art bringing a strong interest from collectors.

AMONG THE DEALERS.

Exhibition of recent paintings by Childs, a well-known American artist, held at the Metropolitan Museum of Art. The exhibition included a wide range of works, from still lifes to landscapes. The paintings were well-received by the public, and many visitors commented on the high quality of the art on display.
